Detached single garage
Recommendation-Refusal Decision -Approval

Meetings Attended**Finance**

Report of the Finance Sub Committee

Although the sub-committee was inquorate both Cllrs who had reviewed the accounts were of the opinion that they were satisfied they were both accurate and acceptable and that spending was largely in line with the budget being half way through the year. The PC resolved to accept this opinion.

Pavilion

Report of the Matfield Pavilion Steering Committee

Minutes of their meeting were attached and Cllr Woodley reported on progress so far. He had been voted as Chairman of the sub- committee with Cllr Dafter being Vice Chair. The committee had formed its terms of reference and the PC was asked for their support of this which was duly agreed. Pre planning advice was being sought by the Clerk on design and the way the pavilion should sit within the context of the area. Mr Peter Bodman had been retained as technical advisor with the intention that once a design was agreed on, either from him or another he would be in a position to apply for permission and ensure progress was made in line with building regulations. Temporary accommodation for the Club was discussed and the outcome of a possible portacabin loan via the club was to be awaited.

Village of the year Competition

Cllr Mrs Downes reported that she and M Mackenzie had attended the Village of the Year awards at Dunkirk. The award went to Elam and it was noted that not as many villages had entered as had been hoped for.

Matters Arising**Pearsons Green Road**

The Clerk had been asked to speak to P/W TC to hear their views on an application for the siting of a caravan in Pearsons Green Road. Their planning committee recommended refusal from a diminished attendance but it was thought quite possible it will in fact get approval.

Correspondence

Progress with Planning Policy

Cllr Woodley reported on the contents of a letter from TWBC regarding developments in planning policy. We had thought that a lower number of houses to be built was acceptable but until there are site specific allocations we will not know the full impact on the area. Attention was drawn to new consultation dates. Cllr Woodley was thanked for his work on the subject and the PC agreed to keep a watching brief as matters developed.

Residents

A copy of a letter of complaint about noise emanating from Matfield Hall during a party. Cllr Barsley reported the hall management committee were aware of the problem of noise, broken glass and a general mess that the hall had been left in. They were in the process of establishing if the deposit had been retained.

A letter from a resident of Petteridge Lane had been received expressing concern about safety for cyclists and pedestrians because sight lines of motorists are being blocked by overgrown verges and bushes on the south side of their property between themselves and Porters Wood. The Clerk was asked to advise KCC of the problem

Two separate letters from a resident of a caravan in Petteridge Lane had been received, one advising she is viewing a site in Cranbrook with Karen Broom and one that she intends to appeal against the latest refusal for change of use. She has had some conifers removed to improve light in the site and towards a neighbour. She feels this will enhance the site to counter some of the issues raised in the last refusal.

An email from a resident stating that there is a certain amount of dead wood falling from the cherry trees overhanging the children's garden in Brenchley playground requesting that a Mr Mark Woolger of Tamillek be allowed to trim the trees. This has been volunteered free of charge. The Clerk was asked to accept this kind offer.

Other Matters as maybe previously notified

Trees

It was noted that the willows by the pond that the PC had planned to have pruned appeared to be dead or dying. Cllr Randall agreed to visit but in times of inclement weather willows often retreated into a dormant phase and could well come back to life in the spring.

Date of next meeting

The next meeting will be 7th November in Matfield Village Hall
