

Accessibility Statement

An accessibility menu for the website can be opened by clicking on the little blue figure at the top corner of every page.

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. The Brenchley and Matfield Parish Website is partially conformant with WCAG 2.1 level AA.

Information on complaints or comments received by the Parish Council regarding accessibility can be obtained from the Clerk.
